# About us

## “Solve it with Solveit”

Solvelt is a compliance-focused HR solutions firm based in Tamil Nadu, backed by over 10 years of industry experience. We specialize in payroll processing, statutory compliance, labour law consulting, and handling inspections and audits. With a current client base of 150+ organizations, our services span across sectors such as Manufacturing, Pharma, Education, IT, BPO, and Contract staffing.

We ensure our clients remain compliant with evolving labour regulations by offering proactive support and accurate documentation. Our experienced team has successfully handled over 150+ EPF/ESI audits and inspections without penalties.
